

MODA LIGHTING

MODA LIGHTING has been manufacturing custom lighting for the residential and hospitality industry for over three decades. With many years of providing quality furnishing to the industry, our experience and state of the art manufacturing facility allows us to produce an array of fine lighting. We offer a variety of unique handcrafted light fixtures specializing in iron, metal, acrylic, mica and glass. With a large selection of products, there are many styles, hand finishes, shade options and crystals to choose from. We offer our clients the opportunity to utilize the wide selection of fixtures included in our website or fully customize a particular project. Our studio is based in Los Angeles, CA.

Our products and past projects can also be seen on our website:
